

# Gene Synthesis and Cloning Services

Deliveries 100% accurate DNA sequence

**Unissemble™**

Quintara Biosciences is proud to offer Unissemble™ Gene Synthesis and Cloning Services for your discovery and pre-clinical research. The Unissemble™ services provide 100% accurate gene synthesis and cloning work from hundreds to thousands of base pairs with industry-leading turnaround time.

## About Quintara

Quintara stands as a nationwide gene sequencing leader, spanning California, Massachusetts, Colorado, Connecticut, Maryland, and beyond. We are committed to delivering the best service to the life science community and ensuring the fastest turnarounds so your research can move forward faster.
