

Boston Same-Day Service New

Get your data while you're still in the lab

► Ready to accelerate your research?

Our Boston production and logistics teams are fully prepared to power your next breakthrough with unmatched local speed. Quintara Biosciences is proud to announce the launch of our localized Same-Day Sequencing Service, specifically designed for the Boston biotech and academic community.

10:00 AM

Place order and put your samples in a designated Quintara dropbox.

**Speed Up With Same-Day Service
(Mon – Fri Only)**

4:00 PM

Receive your high-quality data in your inbox before the workday ends.

Local Access: dedicated droboxes near MIT, Harvard, BU, Longwood, and key academic institutions for rapid courier pick-up.
